On 9 and 10 April 2019 in Rome, at the Residenza di Ripetta, the first seminar of the Project EuLawInEN was held on the subject of “Succession and Family law in practice”.

Two notaries and two judges who were trained at the “Train of Trainers Course”, held in Rome from 18 to 22 March, became trainers themselves at the first seminar that reached over 40 participating legal professionals, among whom notaries and judges. The use of the C.L.I.L. (Content and Language Integrated Learning) didactic methodology produced some immediate benefit for the legal professionals, who realised how fast and easy learning English language can be, applied to the subject matters they deal with on a regular basis at work. Moreover, the second day the participants had an excellent level of linguistic understanding and an improved participation.

The next two seminars in 2019 will be held respectively in Budapest (Hungary), on 8 and 9 July, and in Plovdiv (Bulgaria) on 25 and 26 October 2019.
